“Authors” means employees, students and other staff of the Subscriber and independent contractors appointed by the Subscriber.

“Accepted Manuscript” means an author's version of the manuscript of a journal article or book chapter that has been accepted for publication and which typically includes author-incorporated changes suggested during submission, and editor-author communications. Accepted Manuscripts should not be added to or enhanced in any way in order to appear more like, or to substitute for, the Published Journal Article/Published Book Chapter.

“CC BY-NC-ND” (Creative Commons Attribution – Non Commercial – No Derivatives) means Creative Commons license for non-commercial purposes. CC BY-NC-ND allows others to distribute and copy the Accepted Manuscript for non-commercial purposes, as long as they credit the author(s) (with a link to the formal publication through the relevant DOI), provide a link to the license, and do not represent that the licensor endorses the use made of the article/book chapter. If the user alters or revises the Published Journal Article/Published Book Chapter in any way, it cannot distribute the modified version of the article/book chapter to others.

“Data” will be limited to the following: index terms, bibliographic information, headers, references, digital object identifiers, embargo end dates, keywords, author affiliation, Snippets and abstracts, or any other data when included, of the full text articles/book chapters.

“Institutional Repository” means the Subscriber’s secure database system that Subscriber uses to collect, preserve and disseminate information about the intellectual output of the Subscriber’s institute(s).

“Published Book Chapter” means the definitive final record of published research that appears, or will appear, in the book and embodies all value-adding publisher activities including copy-editing, formatting and (if relevant) pagination, and online enrichment.

“Published Journal Article” means the definitive final record of published research that appears, or will appear, in the journal and embodies all value-adding publisher activities including copy-editing, formatting and (if relevant) pagination, and online enrichment.

“Snippets” mean a short contextually relevant query-dependent text or data which may include bibliographic metadata as well as a maximum of 120 words of query-dependent text from individual Published Journal Articles/Published Book Chapters.

1.4 *Restrictions on Use of Subscribed Products.*

Except as expressly stated in this Agreement or otherwise permitted in writing by Elsevier, the Subscriber and its Authorized Users may not:

- abridge, modify, translate or create any derivative work based on the Subscribed Products, except to the extent necessary to make them perceptible on a computer screen to Authorized Users;

article as stated in the applicable user (e.g. CC) license.

2.2 Quality of Service.

Elsevier will use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per year, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service.

3.2 Protection from Unauthorized Access and Use.

The Subscriber will:

- take appropriate measures to protect against the misuse or unauthorized access, whether by the Subscriber or any third party, through or to (a) the Subscriber’s credentials used to access the Subscribed Products; and (b) the Subscribed Products and/or information derived therefrom;
- manage identification, use, access and control of all credentials used to access the Subscribed Products in an appropriately secure manner, including, but not limited to, by:
 - provide true, complete and accurate IP addresses, as identified on Schedule 2, (if any) for the exclusive use by the Consortium and relevant Institution(s) (including, if requested by Elsevier, written confirmation by the relevant third party internet service provider) and proactively inform Elsevier of any changes to the Consortium and relevant

Institution's IP addresses, including the addresses no longer being used exclusively by the Subscriber; and

- limiting access to and use of the Subscribed Products to Authorized Users and notifying all Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;
 - issuing any passwords or credentials used to access the Subscribed Products only to Authorized Users, not divulging any passwords or credentials to any third party, and notifying all Authorized Users not to divulge any passwords or credentials to any third party; and
- without undue delay, deactivate any credentials when no longer needed or where access presents a security risk;
 - Implement and maintain its own appropriate program for credentials management and ensure access to the Subscribed Products via such credentials is reviewed on an appropriate basis; and
 - promptly upon discovering itself, or being notified by Elsevier or a third party, that there has been unauthorized use of the Subscribed Products or a security issue permitting unauthorized use, Subscriber will take appropriate steps to end such activity and to prevent any recurrence, including, but not limited to, implementing required updates and configuration where needed to rectify the issue. When notified by a third party or upon discovering the unauthorized use directly, Subscriber must promptly notify Elsevier of the unauthorized use. Subscriber will cooperate with Elsevier and share information, subject to any applicable confidentiality or nondisclosure obligations, concerning the unauthorized use or security issue.
 - In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Consortium and/or relevant Institution(s) suspend the access from where the unauthorized use occurred upon notice to the Consortium and relevant Institution(s). The Consortium and relevant Institution(s) will not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the unauthorized use did not result from the Consortium and relevant Institution(s)' own negligence or willful misconduct and that the Consortium and relevant Institution(s) did not permit such unauthorized use to continue after having actual notice thereof. The Consortium and relevant Institution(s) will be responsible for the adherence to the terms and conditions of this Agreement by a third party provider the Consortium and relevant Institution(s) engages, in particular, if such third party provider supplies and manages IP addresses.

3.3 *Security Requirements.*

The Subscriber agrees that the Subscriber will have in place documented policies and procedures, which will be reviewed by the Subscriber periodically, and if appropriate, tested and updated, covering the administrative, physical and technical safeguards in place and relevant to the access, use, loss, alteration, disclosure, storage, destruction and control of information. The Subscriber will promptly notify Elsevier if it determines that there has been a failure of such safeguards if such failure results in a compromise of the confidentiality or security of any Elsevier Content provided hereunder and cooperate with Elsevier's reasonable requests surrounding such failure including taking appropriate steps to end such activity and to prevent any recurrence. For the purpose of this Section 3.3, "Elsevier Content" means any material or information which Elsevier provides or makes available to the Subscriber in connection with the Subscribed Products and performance of this Agreement.

SECTION 4. FEES AND PAYMENT TERMS.

Each Institution will pay to Elsevier its fees set forth in Schedule 1 (the "Fees") within sixty (60) days of

date of invoice for the Fees due for first year of the Term and, thereafter, no later than sixty (60) for the Fees due for the following year of the Term. Late payments will be subject to interest charges of 1% per month on the unpaid balance. In addition to other remedies provided in this Agreement, Elsevier reserves the right to suspend access to the Subscribed Products upon thirty (30) days' prior written notice and without incurring liability if 1) the full amount of any Elsevier invoice hereunder has not been paid within the agreed payment deadline or 2) any invoice is outstanding under previous subscription agreements between parties for the Subscribed Products. The suspension of the Subscriber's access for non-payment or on any other grounds provided herein is without prejudice to the Subscriber's obligation to pay its outstanding and future invoice amounts in full. Elsevier and the Subscriber acknowledge that the Fees payable under this Agreement are not in the nature of royalties and consequently no withholding tax should be applied to the Fees. The Fees will be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber will be liable for any such taxes in addition to the Fees. Any sum to be paid by the Subscriber to Elsevier under this Agreement will be paid by way of transfer to Elsevier's bank account in the Netherlands. The currency of account and the currency of payment for any sum to be paid by the Subscriber to Elsevier under this Agreement will be EUR (meaning the lawful currency of the European part of the Netherlands at the effective date of this Agreement), notwithstanding any changes in Euro zone membership that might occur after the effective date of this Agreement, except in the event that (a) the Netherlands cease to be a member of the Euro zone of the European Union or (b) all participating members of the Euro zone cease to do so and the Euro ceases to exist, in which event the sum will become payable in the currency that will be officially adopted as the legal currency in the Netherlands. The Subscriber waives any right it may have at any time in any jurisdiction to pay any sum under this Agreement in a currency unit other than that in which it is expressed to be payable under this clause. The Subscriber will be charged local value added tax (VAT), based on the Subscriber's place of establishment, unless the Subscriber is a foreign relevant business person and provides to Elsevier its VAT Identification Number.

SECTION 5. TERM.

5.1 Term.

The term of this Agreement will commence on 01 January 2023 and continue through and including 31 December 2025 ("Initial Term").

5.2 Renewal.

After the Initial Term, this Agreement may be renewed upon mutual agreement of the parties in writing for successive one-year terms (each a "Renewal Term"), and the Fees will be increased by the then current standard Elsevier price increase, unless either party gives notice to the other by 1 August prior to the end of the then current term that it does not intend to renew. The Initial Term and each Renewal Term are collectively the "Term".

SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

6.1 Warranties.

Elsevier warrants that (a) use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party, (b) it has all necessary consents, licences and approvals required to provide the Subscribed Products and perform its obligations under this Agreement; and (c) it provides the Subscribed Products using reasonable skill, care and diligence.

6.2 Indemnities.

Elsevier will indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys' fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation will survive the termination of this Agreement.

6.3 *Disclaimer.*

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED “AS IS” AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event will Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, nor will the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder during the twelve (12) month period immediately preceding the date on which the claim arose, even if Elsevier or any supplier has been advised of the possibility of such liability or damages.

SECTION 7. GENERAL.

7.1 *Force Majeure.*

Neither party’s delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) will be deemed a breach of this Agreement. The parties agree that the departure of one or more members of the Euro zone will not, in and of itself, be a “circumstance beyond its control” and will not have the effect of discharging or excusing performance of (any obligation under) this Agreement.

7.2 *Severability.*

The invalidity or unenforceability of any provision of this Agreement will not affect any other provisions of this Agreement.

7.3 *Entire Agreement.*

This Agreement contains the entire understanding and agreement of the parties and replaces and supersedes any and all prior and contemporaneous agreements, communications, proposals and purchase orders, written or oral, between the parties with respect to the subject matter contained herein.

7.4 *Modification.*

No modification, amendment or waiver of any provision of this Agreement will be valid unless in writing and signed by the parties, except for changes reflecting substituted titles, IP addresses, authentication mechanisms, invoicing and contact address details which may be confirmed by Elsevier in an email notice sent to the Subscriber.

7.5 *Assignment.*

The Subscriber will not assign, transfer or license any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent will not unreasonably be withheld.

7.6 *Privacy.*

To the extent that Authorized Users provide any personal data to Elsevier during account registration or otherwise, the Subscriber acknowledges that such information will be collected, used and disclosed by Elsevier in accordance with the Elsevier privacy policy applicable to the Subscribed Products.

The Subscriber and its employees, officers, directors, and agents will maintain as confidential and not disclose to any non-affiliated third party without Elsevier's prior written consent or except as required by law or registration at the ESAC registry the financial terms and commercial conditions of this Agreement. Elsevier may only disclose such information (i) to applicable service providers to the extent necessary to perform their functions in support of this Agreement and (ii) where reasonably necessary to address security, safety, fraud or other legal issues and share the Subscriber's IP address ranges and holdings information (ISSN/ISBN, access start and end date) with internet search engine providers for the sole purpose of displaying to Authorized Users in their internet search results links to full-text articles and books available in the Subscribed Products.

7.10 Execution.

This Agreement and any amendment thereto may be executed in counterparts, and signatures exchanged by facsimile or other electronic means are effective to the same extent as original signatures.

Option to Substitute Subscribed Titles

An Institution may substitute any of the subscribed journal titles identified on Annex A to Schedule 1.1 (“Subscribed Titles”) with one or more journal titles of total comparable value (in current year list price) once annually upon notice to Elsevier by 1 August prior to the start of the next calendar year or at any time upon mutual agreement of the parties in writing.

Option to Substitute Withdrawn Subscribed Titles

An Institution may substitute any withdrawn Subscribed Titles with one or more journal titles of total comparable value (in current year list price) at any time upon notice to Elsevier.

Transferred Titles

Society journal titles for which the Subscriber holds an electronic subscription through a third-party publisher whose publication rights are transferred to Elsevier and made accessible on ScienceDirect during the Term (“Transferred Titles”) will be deemed Subscribed Titles effective as of the date of transfer and for the then current publication year and the publication years previously paid unless and until the Subscriber notifies Elsevier that it no longer wishes to continue such electronic subscription on ScienceDirect. The option to substitute Subscribed Titles does not apply to Transferred Titles.

Post Termination Access to Subscribed Titles

Upon termination of all of the Institution’s annual subscriptions on ScienceDirect online, each Institution may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for cost and/or (2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text articles downloaded from such titles during the prior twelve (12) months at a rate of EUR 0.063 per download, with a minimum annual fee of EUR 400 (adjusted annually for inflation and cost increases) for such Institution’s access to the platform, in accordance with the usage provisions of this Agreement, which provisions will survive the termination of the Agreement. Elsevier will make available for inspection by a duly authorized auditor of the Institution, at the Institution’s sole expense, the records concerning the calculation of the annual access fee once per year during regular business hours upon thirty (30) days written notice to Elsevier. If an electronic copy is selected, the Institution will for a period of five (5) years from delivery of the electronic copy provide, on a monthly basis, to Elsevier complete and accurate usage data reports on the Institution’s on-site usage activity in a mutually agreed upon format. Elsevier will be entitled to inspect the Institution’s records of usage once per year during regular business hours upon reasonable notice to the Institution. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Institution, but the relevant Institution remains a ScienceDirect online annual subscription Institution, the Institution may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid provided that Elsevier continues to hold the electronic rights thereto.

Deep Discounted Price for Print Subscriptions

Provided that the Fees have been paid, each Institution will have the option to place orders for annual subscriptions to a selection of Elsevier print publications at a price reduced from the list price (“Deep Discounted Price” or “DDP”), by 1 August prior to the start of the next calendar year from Elsevier or

its affiliate directly and from only one (1) authorized service agent, which will be selected by the Institution, and Elsevier or its affiliate will fulfill such orders in accordance with its customary practices. The Institution will notify Elsevier of its service agent's contact information upon placing such orders. The Institution may change its service agent no more than once annually by giving Elsevier notice by 1 August prior to the start of the next calendar year. The Institution will not place orders for such DDP subscriptions on behalf of any other person or entity or with the intent to resell, rent, license, lease or otherwise transfer them to another person or entity.

- (a) a total of 1,170 open access articles for the calendar year 2023;
 - (b) a total of 1,170 open access articles for the calendar year 2024;
 - (c) a total of 1,170 open access articles for the calendar year 2025.
- 2.4 If there are any unused articles at the end of a calendar year, such articles will not carry over to the next calendar year. Unused articles will expire at the end of the Initial Term and are not refundable.
- 2.5 Elsevier agree that to re-evaluate the output of participating Irish institutions at the end of each year and that the APC amount will be adjusted upwards to support a minimum of 70% of OA publishing based on core hybrid and fully gold open access journals. In the event that the output in core hybrid and fully gold open access journals declines versus the previous twelve-month period, the APC quota will remain at 1,170. Ireland retains the right to reallocate APCs between institutions at their discretion.

3 Additional Pricing

- 3.1 In the event that the maximum number of open access articles under this Agreement has been reached, then Corresponding Authors may publish open access articles in Eligible Journals at the then current list price set forth at <https://www.elsevier.com/books-and-journals/journal-pricing/apc-pricelist>.

4 Workflow

- 4.1 The Elsevier publishing workflow will use the editorial acceptance date to determine the eligibility of an article under this Agreement. In order to benefit from the commercial arrangements mentioned in this Schedule 3, articles submitted by the Corresponding Author must be accepted by the relevant Eligible Journal during the Initial Term.
- 4.2 In Elsevier's journal workflow, the Corresponding Author must specify the Institution that they are affiliated to and the relevant research funding source(s). Based on this data, Elsevier will provide the Corresponding Author with the relevant publishing options.
- 4.3 In the event a Corresponding Author has chosen the open access option, the journal article, if accepted for publication in an Eligible Journal, shall automatically be published under a CC BY or CC BY-NC-ND license as determined by the Corresponding Author, subject to the conditions and process set forth herein with the authors of such article retaining their copyright (other than for certain society journals).
- 4.4 The Elsevier Open Access Platform ("EOA Platform") requires each Institution to make reasonable efforts to accurately validate that the relevant Corresponding Author is affiliated with the Institution, and will provide the Institution with the available relevant details including Corresponding Author name and e-mail address, DOI, article title, article type, journal title, research funding, submission and acceptance date of the article and the APC. The Institution will receive a notification via email to validate a Corresponding Author's eligibility on the EOA Platform.
- 4.5 The Institutions are responsible for informing Corresponding Authors that they are required to identify themselves as being affiliated with a participating Institution in Elsevier's journal workflow in order to benefit from the commercial arrangements under this Agreement.
- 4.6 Each Institution will have access to the EOA Platform in order to validate a Corresponding Author's eligibility within 15 business days after Elsevier sends an eligibility validation notification to the Institution via the EOA Platform ("Validation Date").

5 Payment and Invoicing

- 5.1 Corresponding Author is responsible for the payment of the APC for open access articles not covered by this agreement. The author's affiliation is not liable for this payment if the author is unable to secure APC funding.
- 5.2 In the event that the maximum number of open access articles set out under clause 2.1 above has been reached during any calendar year, or the Institution does not validate the eligibility of an author by the Validation deadline, the Corresponding Author is responsible for paying the APC themselves and Elsevier will send the Corresponding Author an invoice for the APC list price as at the submission date of the relevant article. The author's affiliation is not liable for this payment if the author is unable to secure APC funding.
- 5.3 If the Corresponding Author chooses to pay the APC pursuant to clause 3.1 Elsevier will send the invoice to the address provided by the Corresponding Author.
- 5.4 Corresponding Authors will be invoiced for any articles published in journals that are not included under this Agreement at the then current APCs as set out at <https://www.elsevier.com/books-and-journals/journal-pricing/apc-pricelist>.

6 Reporting

- 6.1 The Institutions will have access to monthly reports that include a breakout of all articles (open access and subscription based) published by Corresponding Authors in the Elsevier journals governed by this Agreement. Minimum metadata requirements are: Corresponding Author name, Corresponding Author affiliation, corresponding e-mail, funding grant IDs (if provided), date of acceptance, journal title, ISSN, article title, article type, article APC and discount (if any), open access Y/N, DOI, and CC license.
